

## IFMR Poland International Tour Bydgoszcz, Poland

**Date: 12th-15th September 2019**

In the early autumn of 2019, we would like to invite all motorcycling Rotarians to a charming corner of Poland - to the Kuyavian-Pomeranian Voivodeship.

The Kuyavian-Pomeranian Voivodeship covers an area of 18,000 square kilometers, with 2,068 million inhabitants. It has two capitals - Bydgoszcz and Toruń. The main cities of the region are, apart from Bydgoszcz and Toruń, Włocławek, Grudziądz and Inowrocław. The region lies in the central part of Poland, on both banks of the Vistula, the largest Polish river, in its lower reaches.

In the Kuyavian-Pomeranian Voivodeship there are many monuments, among them are objects of world rank (the Old Town complex of Toruń inscribed on the UNESCO World Cultural Heritage List, Roman monuments of Strzelno).

Whoever wants to discover the beauty of Kuyavian and Pomerania will not regret it. There is everything you could want - powerful forests, charming lakes, clean rivers, renowned spas, traditional villages and historical monuments worth seeing. It is a dream place to improve health, collect mushrooms, hunting, fishing, water sports and horse rides. Valuable especially because we can "touch the Gothic" and see the place where the great European astronomer, Nicolaus Copernicus, was born. And see how people lived here seven hundred

years BC - looking into the Slavic settlement in Biskupin. And when leaving, take home the Toruń gingerbread or a jar of plum jam from the Lower Vistula Valley with good memories.
